Executive Director

NOTE FOR: ADDO

A heads up for the planned visit of the PFIAB on 8 September. We would like you to present a briefing giving the "state of the union" of our HUMINT collection and CA programs. This should include a general idea of our stepped-up CA program, the operational environment we now find ourselves operating in, some examples of our newer techniques, such as the [REDACTED]

[REDACTED] This should then set the stage for the later briefings on operating in [REDACTED]
